FATHER MIKE had a vision to help not only those in our Parish, but to go beyond our walls and help others in need that they may see the face of Christ in others. GENE ALLETTO and BILL BIANCO came forth and offered ideas for a fundraiser to meet this vision. Last years Wine & Cheese Tasting became a reality and many families had a better Christmas. The Proceeds also enabled us to open, this year, our OUTREACH CENTER at 227 Glen Cove Ave. Your support is asked and needed to make a Blessed Christmas a reality and keep the vision alive!!!
