DIocese OF ROCKVILLE CENTRE  
OFFICE OF THE BISHOP

February 6, 2012

Dear Brothers and Sisters in Christ Jesus:

On Friday, January 20, the President approved new regulations from the Department of Health and Human Services. These regulations mandate that, with few exceptions, all Catholic employers, including Catholic Charities and Catholic hospitals, provide coverage for contraception, abortion-producing drugs and sterilization in the healthcare benefits provided to their employees. Most insurance programs will have to include these as well.

This mandate directly interferes with the freedom of conscience of individuals and with the freedom of religious belief and practice of our Catholic institutions. The Administration has chosen to cast aside the First Amendment to the Constitution of the United States, denying to Catholics our nation's first and most fundamental freedom, that of religious liberty and free exercise of conscience. Regulations about healthcare are being used to re-define pregnancy as a disease and to make abortion-inducing drugs available to one and all. As a result, unless the rule is overturned, we Catholics will be compelled either to violate our consciences or to drop healthcare coverage for our employees and suffer significant penalties for doing so.

As Pope Benedict XVI said last week:

*"It is imperative that the entire Catholic Community in the United States come to realize the grave threats to the Church's moral witness presented by a radical secularism which finds increasing expression in the political and cultural spheres . . . Of particular concern are certain attempts being made to limit the most cherished of American freedoms, the freedom of religion."*

I would ask of you two things. First, as a community of faith, we must commit ourselves to prayer and fasting that wisdom and justice may prevail and religious liberty may be restored. Without God, we can do nothing; with God, nothing is impossible. Second, I would recommend that you contact your US Congressional representatives to express to them why this mandate cannot stand and to support religious freedom through the Religious Freedom Restoration Act of 2012. This legislation, sponsored by Senator Marco Rubio, would reverse the Administration's decision. To learn more about this assault on religious liberty, the US Bishops have set up the following special website: [www.usccb.org/conscience](http://www.usccb.org/conscience).

Yours devotedly in Christ,

Bishop of Rockville Centre
