Stop Physician-Assisted Suicide in New York

New York is on the brink of legalizing physician-assisted suicide. Bill A136 has already passed the Senate and Assembly. **The only thing standing in its way is Governor Hochul's veto – and she needs to hear from you.**

This bill would allow doctors to prescribe lethal medication with the sole purpose of ending a patient's life. It puts the most vulnerable among us – the elderly, people with disabilities, and those facing emotional or financial despair – at even greater risk. **Suicide is not healthcare.**

We must speak out to protect the dignity of every human life. Assisted suicide is a dangerous and deadly path – one we must not go down.

Take Action!

Contact the Governor's office now to oppose this deadly practice! Visit bit.ly/veto-pas or use the QR code.
